

Owens Ready-Go System  
Tactical Situational Awareness

See Definitions And Initiation Protocols

## **OWENS READY-GO SYSTEM**

### **Tactical Situational Awareness**

#### **Definitions:**

**ALI** –Active Lucid Intelligence: Recognition of real-time evolving Intel.

**BATPRO** –**BAT**tle-space Impact Status **PRO**jection [How scene will look if variables controlled by TEAM/SA are played out –vs- how scene will look if variables controlled by Suspect(s) are played out]

**INS** –Instinct [Critique your instinct as you learn how to self evaluate]

**IPS** –Information Processing Strategy (Recipe). Revealed only in kitchen

**KITCHEN** –SIE

**MASTER CHEF** –MRETL

**MRETL** –Mission Readiness Enhancement Team Leader

**OBGYN** –TEAM/SA Member delivering [eyes-on] after-action report

**RECIPE** –IPS

**SIE** –Shared Information Environment (kitchen). Must be a secured scene, including firewall

**TEAM LEADER** –Master Chef

**TIW** –Theatre Integration Work-up

**UL** –Unit in the Loop: The combined 14 Activated Kitchen Operators.

#### **Initiation Protocol:**

Two(2) TEAM/SA Squads shall serve One(1) Twelve(12) Month period together as an [on-call] active duty TACT/SA tour company, and during same said period shall remain prepared to operate within a high state of readiness construct. Further, when an SIE kitchen is activated for an urgent task, it shall at that time represent as the Host Command Post for Two(2) Seven-Member TEAM/SA Squads: 1 TEAM/SA Squad as [in-progress] Operators, and 1 TEAM/SA Squad as a kitchen-attached Alternate, totaling Fourteen(14) activated kitchen Operators.

Each TEAM/SA Squad shall consist of Seven(7) Members who have been individually vetted as possessing expertise *of*, or experience *with* exacting tactical strategy as an on-scene Operator.

Tactical Assessment is Rapid Needs Assessment purposed to mitigate Mass Casualties, and once a 14 member TACT/SA Tour Company have been tasked to activate a Kitchen, each 7 member TEAM/SA shall “red team” each other’s BATPRO before deciding which of the 2 Squads will mission as in-progress Operators, and which will stand ready as the Kitchen-attached Alternate.
