This Platform allows non-law enforcement People to express support for a  
[Nationwide Police Salary Reform System]  
that local governments can adopt as a pilot or otherwise, and it also allows for  
Police Officers to archive their *potential flexibility to relocate*  
to a TOPCOP-friendly City, County, or State by simply adding the virtual  
TOPCOP POLICY to their Shopping Cart via the Checkout Page, and/or ordering  
the number equivalent to the number of fellow Police Officers they would like to  
“sponsor” virtually,  
**i.e.**  
if the preference is to sponsor the potential for a salary increase for Ten Cops, then  
Ten \$13. Orders would be required to be placed in the Shopping Cart,  
**AND/OR**  
simply archive expressed sentiment in the Message Box from the  
“Contact Us” Page.
